
SECTION 2 REGULATIONS (cont'd)

2.10 Use of Customer's Service by Others

2.10.1 Resale and Sharing

There are not prohibitions or limitations on the resale of services. Any service provided under this tariff may be resold to or shared with other persons at the option of the Customer, subject to compliance with any applicable laws and the Indiana Utility Regulatory Commission's regulations governing such resale or sharing. The Customer remains solely responsible for all use of services ordered by it or billed to its telephone number(s) pursuant to this tariff, for determining who is authorized to use its services, and for notifying the Company of any unauthorized use.

2.10.2 Joint Use Arrangements

Joint use arrangements will be permitted for all services provided under this tariff. From each joint use arrangement, one member will be designated as the Customer responsible for the manner in which the joint use of the service will be allocated. The Company will accept orders to start, rearrange, relocate, or discontinue service only from the Customer. Without affecting the Customer's ultimate responsibility for payment of all charges for the service, each joint user shall be responsible for the payment of the charges billed to it.
